Dear Sir

**UMHLATUZANA EDUCATION FUND**

We have been engaged to assist in setting up the Umlatuzana Education Trust (Non Profit Company) and comply with all SARS registrations in terms of tax exemption and public benefit organization registrations.

We can confirm that this process has begun and all necessary forms and documents are submitted to SARS. Unfortunately with SARS employee strikes and the backlog that is wat SARS offices at the moment, this process has been delayed. With a delay in process certain documents may be requested again as they has surpassed the 3 months date condition.

Having said this we are currently tracking the process and are doing everything in our power to ensure that these registrations are done speedily. In our professional opinion, we also do not see any reason for this application being denied.

We thank you and if you have any further questions and/or queries, please do not hesitate to contact our offices.

Yours faithfully

**Mr A Dhuki**  
Director
