Dear Martin,

I am pleased to inform you that the board of Atisa Securities has approved a donation of R150,000 to UEF for 2022.

This donation is to assist UEF with general funding needed to implement its High School Mathematics Enrichment Program designed to benefit disadvantaged High School students in KwaZulu-Natal. The only condition is that UEF must have in place all the necessary documentation for the donation to qualify in terms of South African B-BBEE legislation. In this regard, please liaise with our B-BBEE consultant – Nicole Ramjee.

I can also confirm that Atisa will, subject to the continuing successful implementation of the program, be prepared to continue to support the program in 2023 and beyond. The level of such support will be determined on an annual basis and will be subject to board approval.

I wish you every success with the program and look forward to developing an enduring relationship with UEF.

Yours sincerely,
