Mr Peggie NAIDOO

3 November 2022

Dear Peggie,

Following our discussion, I would like to formally request on behalf of the UEF an interest free loan for R 12 000. The UEF will repay you as soon we can but in any event no later than at the end of 2023. This loan would greatly help us make the necessary payments into the global grant account so that we can become eligible to receive the World Fund match payment from the Rotary Foundation.

The account to pay into would be the UEF main account, of which the details are as follows:

Account Holder: Umhlatusana Education Fund NPC
Bank Name: First National Bank
Bank Address: 6th Floor, 1 First Place, Simmonds Street,
Johannesburg, 2001, South Africa
Account Number: 63002503068
Branch Code: 210835
Swift Code: FIRZAJJ

Please let me know if you have any questions.

Best regards,

Martin A. Bucher
