Hi Martin

End of next week is fine.

Please use the last version of the 2023 template Thanks

Kind Regards

Hi Nicole,

This is great news and I am delighted about the donation for R 25 K. I will share this exciting news with my colleagues.

Could we send you the proposal for the end of next week, which would be after our Board Meeting, or would you need it before then? Please advise. We will use last year's letter as a template.

Many thanks.

Best wishes,

Martin
